

20 Victoria Street WALLA WALLA NSW

3  1  2 

This 3 bedroom kit home frame is already erected and awaiting someone to finish it. Situated on a large 1770 m2 block it also features a large colour bond shed with concrete flooring and power connected plus a double carport. Located close to the centre of town this is a great opportunity for some to start out in the market. Please contact our office for a list of inclusions for the property.
