

17 Frosty Lane Jindera NSW

4 2 5

This property is one of a kind nestled on a 4,000m² (approx.) allotment on the outskirts of the popular Jindera township. Forget building, you have a chance to acquire this striking young family home designed to create amazing living spaces, to capture the views and the natural light and is finished with meticulous attention to detail. This quality built home allows you to secure yourself a perfectly set up property, with everything you need from an amazing entertaining area to a 3-bay shed at the rear.

Everything has been considered when building this stunning residence. An appealing front facade, stylish modern interior, high quality inclusions that give you that wow factor as soon as you set foot inside the front door. All of this with a spacious allotment that you can enjoy with family and friends.

Land Size : 4000 sqm
